Thank you David,

I am also looping in Will from my team, as he manages the permitting process.

I hope you had a great holiday weekend.

Can you send the required forms to be filled out for both the city and CalTrans? We would like to get started filling things out.

Thank you David!

Here are the locations for the Cameras:

https://planner.flocksafety.com/public/d67836cc-b85d-4204-ac2b-0d1624e7266f

If you can help by providing the locations and permitting requirements for each location, that would be amazing.  I have my permitting manager Will Warren CC'd to this email as well.  I have also attached some technical information about what we are installing for your records.  Thank you again, and have a great weekend.

Best Regards,

Jesse Mund
